

Prep instructions for Updo services

01.

Should I wash my hair?

Washing and blow drying the day before your event is the best option.

DO your regular shampoo/condition routine the day before your event making sure to blow dry the hair.

DON'T sleep on your hair wet or in a bun the night before your event

PRO TIP: plan ahead and book a blow dry style with us the day before

02.

Should I put styling products in my hair?

YES! But ask your stylist for recommendations first based on your specific hair type.

Basic Guide based on hair type:

fine/thin: volumizing products

medium/wavy: smoothing & volumizing

thick/curly: smoothing & anti-humectant properties if you are not using natural texture as part of your finished look

03.

What do I wear?

Make sure you come to your styling appointment with a button-down top, robe, kaftan or a top that can easily be removed after your style is complete.

If you must put your hair up before sitting in the chair, use a claw clip or silk scrunchie in a low loose ponytail.

04.

bring all your goodies with you

Don't forget to bring your veil, clips, flowers, and tiaras with you to your appointment.

PRO TIP: If you've added clip-in hair extensions to your look, don't forget to bring those.
